

End Effectors

UNIDEX can provide end of arm work-engagement devices to handle practically any load you can imagine, whether you need to lift, tilt, rotate, pour or upend – either singly or in combination maneuvers.

Vacuum, pneumatic or mechanically powered fixtures, grippers and holders can be custom engineered for your specific application. Choose from hooks, forks, clamps, magnets, spreader beams...

NOW YOU CAN EASILY MANUEUVER...

- Rolls
- Reels
- Coils
- Drums
- Barrels
- Boxes
- Cartons
- Sheets
- Frames
- Shafts
- Bags
- And more!

**Made
In The
U.S.A.**

All UNIDEX end effectors are designed and manufactured in the USA to exacting quality standards from welded carbon steel construction. Each unit receives a durable, baked-on powder coat finish, and undergoes rigorous quality testing before shipment.

Quantity discounts available. Other custom features available, please call us to discuss your exact needs.

Payment can be made using American Express, MasterCard and Visa credit cards.
