

# PHL Series Mobile Workstation

The UNIDEX PHL Series of adjustable height mobile workstations has been ergonomically designed to provide the greatest durability, versatility, flexibility and safety for your production needs.

## STANDARD FEATURES

- Foot operated oil hydraulic system
- Lift capacities to 250 lbs.
- Adjustable down speed control
- Four 5" locking casters
- Standard lift stroke: 48" (0" lowered to 48" raised)
- Standard unit comes with bolt plate for your custom end tooling
- Lift stroke per pedal movement: 1.2"

## USES

- Portable assembly
- Component transfer and transport
- Machine feeding and offloading
- Mobile staging and work positioning

The PHL Series Mobile Workstation provides an ergonomically correct mobile platform, versatile enough for hundreds of applications. Workers of varying heights and sit/stand options are easily accommodated. The work surface is elevated by means of foot pedal operated hydraulics. The pedal folds up out of the way when not in use. A release pedal lowers the load.

This lightweight, compact device can be equipped with two locking swivel and two fixed, or with four locking swivel casters. The PHL is highly maneuverable for getting in and out of tight work spaces. The area between the legs and table is unobstructed, allowing easy access to machinery, racks and other immovable fixtures.

## OPTIONAL FEATURES

- Stainless steel construction
- Shorter or longer travels
- Wider or longer tables
- Rotating surfaces
- Ball transfer
- Conveyor
- Tilt tables
- Lifting forks or fixed width forks
- Roll handling probes
- Workholders
- Grabs
- Indexing heads
- Custom fixtures available

All UNIDEX PHLs are designed and manufactured in the USA to exacting quality standards from welded carbon steel construction. Each unit receives a durable, baked-on powder coat finish, and undergoes rigorous quality testing before shipment.

*Quantity discounts available. Other custom features available, please call us to discuss your exact needs. Payment can be made using American Express, MasterCard and Visa credit cards.*
