

TL Series Low Profile Pallet Lift

The UNIDEX TL Series Low Profile Pallet Lift has been ergonomically designed to provide the greatest durability, versatility, flexibility and safety for your production needs.

STANDARD FEATURES

- Standard Model (TL36)
- 36" vertical lift from 0"-36"
- Accessible by pallet jack
- Electric hydraulic system 8.8 amps at 115 VAC
- 2,000 lb. lift capacity at pallet
- Stationary bolt down

USES

- Palletizing, assembly and lifting

OPTIONAL FEATURES

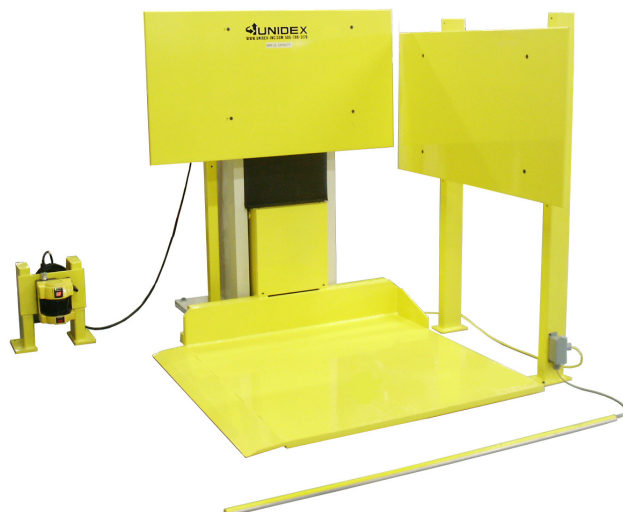

- Free standing
- Increased weight capacity
- Higher stroke
- Pendant control/foot control
- Casters for mobility
- Stainless steel construction
- Special platform sizes

The TL36 Series Pallet Lift's adjustable height capability places pallets within easy operator reach, thus improving speed of product transfer from conveyor or assembly lines. The reduction of stretching and bending movements also diminished musculoskeletal fatigue and the risk of injury, saving lost time and compensation claims.

Its small footprint is practical where floor space is cramped. The TL36 can accommodate a hand operated pallet jack or lift truck for pallet removal. No excavation is required for installation. The unit can be easily relocated within the plant as needed.

A unique, cantilevered table design eliminates scissors-lift pinch points. The lift system has built-in controls providing slow down speeds for greater safety of your operator and product. The 115 VAC electric hydraulic system permits operation from standard 15 amp receptacles. TL36 Pallet Lifts can be provided with a number of options including turn tables, interlocked safety curtains or tape switches.

All UNIDEX lifts are designed and manufactured in the USA to exacting quality standards from welded carbon steel construction. Each unit receives a durable, baked-on powder coat finish, and undergoes rigorous quality testing before shipment.

Quantity discounts available. Other custom features available, please call us to discuss your exact needs. Payment can be made using American Express, MasterCard and Visa credit cards.
